Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Tech Innovation Framework

Reference number

FTS-004106

II.1.2) Main CPV code

• 48180000 - Medical software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

This Prior Information Notice (PIN) is to advise the market of a forthcoming opportunity from Health and Social Care Information Centre's (Known as NHS Digital) GP IT Futures (GPTIF) Programme, on behalf of the Department of Health and Social Care for the provision of foundation Electronic Patient Record (EPR) solutions and associated capabilities, for primary care IT.
These solutions will be reflective of healthcare professionals' needs, as shared with NHS Digital through detailed research and user engagement.
GPITF proposes to introduce a refreshed set of technology standards and solution capability requirements and will engage the market on its proposal, along with details of how new-to-market solutions could be assured, procured and consumed.
This notice is for prior information only, publication for a further call for competition will be made as required. Suppliers are asked to complete the Expression of Interest (EOI) that can be found via the Supplier Documents in Atamis

II.1.5) Estimated total value

Value excluding VAT: £9,500,000
