Scope

Description

Severn Trent & Hafren Dyfrdwy are conducting a market engagement exercise to better understand the capabilities and interest of leading suppliers in the fuel services sector. This exercise is purely for market engagement purposes and does not constitute any part of a formal procurement process. Your insights will help us shape the scope and strategy for future tender. If you are interested in participating, please reply with the relevant information. We have an extensive fleet of Company Cars, LCV and HGV vehicles with a total combined fleet of over 3000. The Severn Trent & Hafren Dyfrdwy region covering the central midlands region and northern Wales.

We are looking for the provision of fuel cards for fuelling Diesel / Petrol at Fuel Stations and EV cards for charging electric vehicles across a public charging network. This list is not exhaustive and there are additional services we may require.
