Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority

Explanation:

Due to the Covid 19 pandemic homelessness services had to be delivered differently. Liverpool City Council needed to respond at speed to ensure that anyone at risk of rough sleeping was prioritised for placement into a range of newly resourced emergency accommodation options driven by the national governments 'Everyone In' initiative and to comply with public safety measures introduced as part of the country entering into "lockdown" arrangements.

These alternative arrangements had to be made urgently and there was insufficient time to run an accelerated procurement under the open or restricted procedures or competitive procedures with negotiation. The scale of change and emergency nature was brought about by unforeseeable events.
