Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Community benefits are a key component in maximising social, economic, environmental and cultural benefits within our community.

There is a commitment to ensuring community benefits are considered on all contracts and a common approach adopted, providing a

consistent experience for suppliers and maximising value added retained within the geographical boundaries of the participating Councils'.

Contractors are therefore encouraged and expected to embrace the Council's commitment to delivering community benefits.

As part of your submission, bidders are required to:

i) Demonstrate their previous approach/experience in delivering Community Benefits and

ii) Submit a Method Statement in the form of a "Community Benefits Plan" setting out how they will incorporate and deliver "Community

Benefits" through this appointment.

(WA Ref:138316)

The buyer considers that this contract is suitable for consortia.
