**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title**

Contract Award for the design and build of new gas-compression asset project(s) at National Gas Transmission site (ST Fergus Terminal station).

**II.1.2) Main CPV code**

- 45255000 - Construction work for the oil and gas industry

**II.1.3) Type of contract**

Works

### **II.1.4) Short description**

Following the RIIO-2 Re-opener mechanism submitted to Ofgem and their subsequent Compressor Emissions Final Option Selection, National Gas Transmission (NGT) is awarding the contract for the delivery of new compressor installation projects at high-pressure gas compression site. The procurements relate to ST Fergus Terminal Site to ensure compliance with MCPD legislation (Medium Combustion Plant Directive) by 2030.

### **II.1.6) Information about lots**

This contract is divided into lots: No

## **II.2) Description**

### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

### **II.2.4) Description of the procurement**

National Gas Transmission (NGT) invited interest from suitable Economic Operators to pre-qualify and tender for the delivery of new compressor installation at high-pressure gas compression site. The procurement relates to new compressor installation required at ST Fergus Terminal Site to ensure compliance with MCPD legislation (Medium Combustion Plant Directive) by 2030. The procurement consisted of a pre-qualification of Applicants, shortlisting those to be invited to tender and then a competitive tender of those shortlisted. The future works will include but not be limited to; early feasibility design, detailed design, engineering procurement, construction and commissioning of \*3 new compressor unit at ST Fergus. New compressor train equipment will be procured separately by National Gas Transmission and free issued to the installation contractors procured via this procurement event. Following the completion of the tender evaluation period, Contracts are now being awarded for the Works (Design-and-Build) to the successful Contractor(s) for ST Fergus.

### **II.2.11) Information about options**

Options: No

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Restricted procedure

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No

### **IV.2) Administrative information**
