II.1.1) Title

Air Handling Units and Building Management Systems

II.1.2) Main CPV code

- 50700000 - Repair and maintenance services of building installations

II.1.3) Type of contract

Services

II.1.4) Short description

South Staffs Water and Cambridge Water (SSC) are looking to partner with a supplier for Maintenance Services of our Air Handling Units (AHU) and Building Management System (BMS). The supplier will attend our sites will provide preventative maintenance for the equipment at the frequency outlined in this tender. There are approximately 399 AHU assets across both regions and approximately 239 BMS assets across both regions. The maintenance visits will ensure that the units operate at maximum efficiencies, providing the best opportunity for the trouble free and cost-effective operation of the plant. Improved environmental conditions in all the areas would be assured and sustained under maintenance from the Supplier.

II.1.5) Estimated total value

Value excluding VAT: £500,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Air Handling Unit (AHU) Maintenance

Lot No

1

II.2.2) Additional CPV code(s)

- 50700000 - Repair and maintenance services of building installations

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

As location of assets in both regions within South Staffordshire and Cambridge.

II.2.4) Description of the procurement

We wish to establish a single provider for the planned and reactive maintenance services for Air Handling Units (AHU). These AHU operate across our regions of South Staffordshire and Cambridge.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 August 2022

End date

31 July 2025

This contract is subject to renewal

Yes

Description of renewals

Contract will operate on a 3 Year initial term and extended term of 2 years by 12 months increments

II.2.10) Information about variants

Variants will be accepted: Yes
