Reference number

DN748477

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Islington Council seeks a single contractor to provide comprehensive testing, repairs, and servicing works to door entry and access control systems, vehicle access gates and barriers, and security shutter systems, located on and within Islington Council residential properties, on council housing estates, in residential blocks, estate car parks, community centres and concierge offices.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45400000 - Building completion work

II.2.3) Place of performance

NUTS codes

- UKI - London

II.2.4) Description of the procurement

Islington Council seeks a single contractor to provide comprehensive testing, repairs, and servicing works to door entry and access control systems, vehicle access gates and barriers, and security shutter systems, located on and within Islington Council residential properties, on council housing estates, in residential blocks, estate car parks, community centres and concierge offices.

The council is a landlord to tenants and leaseholders living in homes located across the borough. The council's stock comprises of residential blocks, community centres, and concierge offices, all of which avail some use of door entry and access control systems, vehicle access gates and barriers, and security shutter systems. As a landlord and employer, the council is responsible for ensuring the provision of safe and fully operational equipment.

An emergency response element will be contained within the contract, and will extend to include out of hours provision, where a situation may necessitate. For example, all residents unable to gain access to their block as a result of a fault to the communal block door.

The value of works carried out under the contract varies from high-value to low-value jobs. The Contractor is expected to carry out all jobs borough-wide.

II.2.5) Award criteria

Quality criterion - Name: Proposed approach to social value / Weighting: 20

Quality criterion - Name: Proposed approach to quality management, and managing and prioritising workloads / Weighting: 20

Quality criterion - Name: Proposed approach to resourcing the contract / Weighting: 10

Quality criterion - Name: Proposed approach to communication and the resolution of complaints / Weighting: 10

Price - Weighting: 40

II.2.6) Estimated value

Value excluding VAT: £4,200,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

This contract is subject to renewal

Yes

Description of renewals

April 2025 is the estimated start period for the contract. The initial term will be twenty-four (24) months, with an option for a further extension of twenty-four (24) months, and a final option to extend by a further twenty-four (24) months. The maximum total agreement length is seventy-two (72) months.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

This contract is not being divided into lots.

Dividing the contract may increase technical risk of delivery, leading to inconsistencies and integration challenges. Therefore, the Client only seeks one contractor.

TUPE [Transfer of Undertakings (Protection of Employment) Regulations]:

Potential providers must be aware that TUPE may or may not apply to this service. Further details will be available in the invitation to tender.
