I.2) Information about joint procurement

The contract is awarded by a central purchasing body

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Scape Procure Limited is a public sector owned built environment specialist. We offer a suite of OJEU compliant frameworks.

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Scape National Consultancy Framework

Reference number

SCP006

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

Scape Procure Limited (Scape) wishes to establish a framework agreement for a four-year duration with an option to extend for a further two years.

Experienced suppliers are invited to apply for three Lots covering built environment, infrastructure and place shaping consultancy services as defined by the NUTS and CPV codes below. Applications are welcome from consortia, joint ventures and the like; such parties must form a single legal entity to contract with prior to contract award. A maximum of five bidders will be invited to ITT stage for each Lot. One supplier shall be appointed to each Lot.

This framework agreement is available for use by the public sector bodies (and their statutory successors) cited by name in Schedule 1 to the Public Contracts Regulations 2015, and additionally listed in the published Corrigendum to this notice and online at: <https://www.scapegroup.co.uk/site-information/framework-usage-eligibility>

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £700,000,000

II.2) Description

II.2.1) Title

Scape Built Environment Consultancy

Lot No

1

II.2.4) Description of the procurement

The services will comprise a range of built environment consultancy as noted. In addition, ancillary services will be made available by the framework partner through their own supply chain. The specific services that may be procured under the framework cannot be clearly defined at this stage. The nature and type of services may include those identified by CPV codes on or in connection with any land or property, infrastructure and related asset owned, rented, leased or developed by any of the public sector bodies eligible to use the framework, or on property, infrastructure or related assets in which any of the public sector bodies may have an interest at the time or prospectively.

The Common Procurement Vocabulary codes stated are deemed to include, for the avoidance of doubt and unless otherwise stated, the Category and Sub-category codes below the CPV codes stated, i.e. 71500000, Construction-related services is deemed to include 71530000, Construction consultancy services and 71541000 Construction project management services.

At this stage Scape anticipate that a single supplier/entity will be awarded Lot 1 to provide all the required services at the conclusion of the procurement process themselves, through their supply chain or via a consortium/joint venture arrangement. The

supplier/entity will be expected to work for and cooperate with public sector clients, in-house and external consultants, contractors and other partner providers. All contract performance will be monitored using a set of comprehensive performance indicators. Services shall be delivered by the consultant and their supply chain. All services will be performed in accordance with the framework agreement and a delivery agreement executed in accordance with this agreement. Individual commissions called-off under the framework may be as little as 500 GBP or exceed 50,000,000 GBP.

Bidders applying for this Lot are required to have a minimum annual turnover of 70,000,000 GBP.

II.2.5) Award criteria

Quality criterion - Name: Tender Quality submission / Weighting: 60

Quality criterion - Name: Interview / Weighting: 10

Cost criterion - Name: Price / Weighting: 30

II.2.4) Description of the procurement

The Place Shaping lot is dedicated to the management of property by implementing effective strategies to achieve sustainable public estates. This includes all aspects of the asset lifecycle from policy, change management, operational improvement through strategic advisory services to enable long term planning.

In addition, ancillary services will be made available by the framework partner through their supply chain. The specific services that may be procured under the framework cannot be clearly defined at this stage. The nature and type of services may include those identified by CPV codes on or in connection with any land or property, infrastructure and related asset owned, rented, leased or developed by any of the public sector bodies eligible to use the framework, or on property, infrastructure or related assets in which any of the public sector bodies may have an interest at the time or prospectively.

The Common Procurement Vocabulary codes stated are deemed to include, for the

avoidance of doubt and unless otherwise stated, the Category and Sub-category codes below the CPV codes stated, i.e. 71500000, Construction-related services is deemed to include 71530000, Construction consultancy services and 71541000 Construction project management services.

At this stage Scape anticipate that a single supplier/entity will be awarded Lot 3 to provide all the required services at the conclusion of the procurement process themselves, through their supply chain or via a consortium/joint venture arrangement. The supplier/entity will be expected to work for and cooperate with public sector clients, in-house and external consultants, contractors and other partner providers. All contract performance will be monitored using a set of comprehensive performance indicators. Services shall be delivered by the consultant and their supply chain. All services will be performed in accordance with the framework agreement and a delivery agreement executed in accordance with this agreement. Individual commissions called-off under the framework may be as little as 500 GBP or exceed 50,000,000 GBP.

Bidders applying for this Lot are required to have a minimum annual turnover of 25,000,000 GBP.
