II.1.4) Short description

Scottish Enterprise (SE) is working in partnership with other Scottish public sector bodies to deliver a significant inward investment opportunity and is looking to appoint a single supplier to deliver services under a framework agreement, to carry out and report on financial due diligence and compliance with the Commercial Market Operator ("CMO") principle, in connection with a significant inward investment project. It is anticipated that the framework will commence on the 4th of March 2024 for a period of 36 months, and SE has the option to extend the framework agreement by a further 12-month period.

VII.2) Other additional information

The tender submission deadline has been extended until the 14th of February 2024 due to questions outstanding on the portal and a slight delay with internal processes. This extension will allow the project team to collate responses to the questions and publish for bidders to consider prior to the tender submission deadline.
