II.1.4) Short description

NOTE: This tender opportunity replaces previously published tender opportunity (DN508246)

The Council is seeking to procure a cloud hosted Highways and Engineering Digital Information Management System to support the operation of the Highways and Transportation Service.

Applications for inclusion in the tender must be made via the YORtender procurement portal,

at www.yortender.co.uk.

If you have not previously done so, please register.

Once your registration has been approved, you should log-in and Search using the

Project ID: DN524948 or search for Project Title: ITS200729-1: Procurement of a Highways and Engineering Digital Information Management System.

Any issues accessing the portal should be reported by email to ProContractSuppliers@proactis.com or tel: 0330 005 0352.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE - YORKSHIRE AND THE HUMBER

II.2.4) Description of the procurement

The Council is seeking to procure a cloud hosted Highways and Engineering Digital Information Management System from a single Contractor to support the operation of the Highways and Transportation Service.

Tenderers must have and be able to offer a mature Highways and Engineering Digital Information Management System. The system should meet all the council's essential requirements with minimal or no additional development, although extensive configuration and mobilisation of the proposed System is expected and accepted.

Tenderers can propose development for desirable requirements but where they do so should also

indicate the likely timescale for those developments to take place.

We do not wish to procure a Highways and Engineering Digital Information Management System which will require an extensive design and development phase to meet the specification of requirements before the essential requirements can be deployed.

The following Software and Services, as a minimum, shall be provided under this contract:

- Highways and Engineering Digital Information Management System (cloud hosted)
- Any additional modules/functionality required to meet LCC requirements
- Implementation services
- Installation services
- Configuration services
- Integration services

- Migration services
- On-going support and maintenance services
- System development and customisation
- Training
- Software/system upgrades

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

28 June 2021

End date

27 June 2026

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

10 March 2021

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

10 March 2021

Local time

12:00pm

Section VI. Complementary information

VI.1) Information about recurrence
