Published 12 January 2026, 7:03pm

Scope

Reference

DN786611

Description

South Gloucestershire Council (SGC) requires a contractor to support its in-house workforce in the provision of surfacing and quarried materials. SGC is procuring a single supplier Term Service Contract ensuring the supply only of quarried materials and the supply & lay of surfacing materials to support delivery of South Gloucestershire Council's capital programme and infrastructure projects in South Gloucestershire and the wider West of England Combined Mayoral Authority (WEMCA) area. The contract will include the ability to raise Task Orders for additional services that fall within the scope of the main contract.

Total value (estimated)

- £84,000,000 excluding VAT

- £100,800,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 July 2026 to 30 June 2031
- Possible extension to 30 June 2033
- 7 years

Description of possible extension:

The Service Manager may propose to the Contractor that the Service Period is extended by an additional two (2) years.

Options

The right to additional purchases while the contract is valid.

As per description and is at Service Manager's discretion to invoke Option C or Option E.
