## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- No tenders or no suitable tenders/requests to participate in response to negotiated procedure with prior publication of a contract notice
- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
  - protection of exclusive rights, including intellectual property rights

Explanation:

The Dismounted Close Combat programme team, part of the UK Ministry of Defence, intends to place a 5-year contract with FNH UK Ltd for the Mid Life Improvement of the Heavy Machine Gun (HMG).

This is because FNH UK Ltd are the Original Equipment Manufacturer (OEM) and Design Authority (DA) and are the only economic entity with access to the necessary technical information, knowledge and expertise, for the HMG comprised in this contract. FNH UK Ltd are the only economic entity with the capability and access necessary to provide the required technical support to ensure it complies with the Authority's specification, maintains the operational performance and effectiveness of the weapon system, and ability to underwrite the integrity of the modifications to the weapons systems as a result of a safety investigation.

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

---
