Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply of an ANPR Car Park System

II.1.2) Main CPV code

- 34926000 - Car park control equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

This Notice has been produced to establish interest for an invitation to tender (ITT) for the provision of an ANPR Parking System at various location throughout the East Midlands Railways (EMR) network.

EMR are looking to introduce ANPR parking systems at 13 stations. The overriding priority for any system introduced is to enhance the customers experience whilst using EMR stations. The ANPR system must be intuitive and easy for customers to use, accurate, reliable and support features modern customers desire, such as pay by phone, online payment app with pre/post payment options.

The Car Park works are required to be operational no later than 31st March 2023.

II.1.6) Information about lots

This contract is divided into lots: No

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

Due to the changing nature of the rail industry and limited government finances, we would encourage bidders to supply bids for both CAPEX and OPEX options if available. Options will be requested for a 3 year support and maintenance contract plus a possible 2 year extension, subject to DfT approval.

II.2.14) Additional information

Interested parties should contact the named person by email at Section I.1 to register interest and request the Prequalification Questionnaire which shall be required to be completed by the time limit for receipt of expressions of interest at Section IV.2.2

Scoring Matrix

The PQQ scoring will be as follows:-

SCORE GIVEN - QUALITATIVE GUIDANCE - SHORT GUIDANCE

0 - Question not answered or answer is irrelevant. - Not answered/irrelevant.

1 - Weak : Insufficient information to enable evaluation or contains major shortcomings or errors to make it non-complaint. - Worst in class/errors in submission.

2 - Below Satisfactory : partially complaint answer but with obvious deficiencies. Brief or incomplete answers with little or no supporting detail or wholly generic answer. - Below industry standard.

3 - Satisfactory : Answer meets the minimum requirements but lack convincing supporting detail to give confidence that they will meet requirements. Some attempt to provide relevant answers not generic. - In line with industry standard.

4 - Good : Thorough response with relevant supporting detail and evidence to give confidence that the requirements will be met. Tailored answers. - Above industry standard.

5 - Excellent : Comprehensive and well-structured response with excellent supporting evidence. Wholly bespoke for the protect and demonstrates exceptional understanding of the requirements. - Market leading.

SCORING PROCESS

Where Yes is the required answer:

YES = PASS

NO = FAIL

EMR will assess additional information provided by the interested parties who select NO, but have additional information to justify their selection.

Where NO is the required answer

NO = PASS

YES = FAIL

EMR will assess additional information provided by the interested parties who select YES, but have additional information to justify their selection.

VI.3) Additional information

To register your interest in this Notice you should submit an expression of interest to the contact details shown within this Notice and request a copy of the Prequalification Questionnaire to be submitted by the date shown at IV.2.2

The Utilities Contracts Regulations 2016 ("Regulations") do not in accordance with their terms apply to this procurement. Neither the issue of this Invitation to Negotiate (as amended by East Midlands Railway and notified to Bidders from time to time) (the ITN) nor the selection of any Bidder, nor any other document, contact or conduct in connection with this ITN constitutes any acceptance by East Midlands Railway that the Regulations apply to the Project covered by this ITN or an agreement by East Midlands Railway to abide by those Regulations.

The procurement process as described in this document (the ITN Process) and any subsequent contract awarded will be subject to English law and the exclusive jurisdiction of the English courts. By participating in the ITN Process a Bidder agrees to be bound by the above conditions and limitations. This Important Notice must be read in conjunction with all instructions to Bidders contained within this document.

Bidder means each legal entity issued with an ITN and invited to participate in this ITN Process.
