### **II.2.4) Description of the procurement**

NEPO seeks to establish a Framework for provision of goods, works, services and technology ("NEPRO x Innovation"). It is envisaged NEPRO x Innovation will operate as a Neutral Vendor Managed Service vehicle.

The purpose of the prior information notice (PIN) is to provide advance notice to the marketplace for the future opportunity and the intentions of NEPO to hold market engagement meetings with suppliers to help shape the future Framework. NEPO are not advertising this PIN as a mechanism to reduce future procurement timescales. The market engagement meetings are advertised openly via this PIN but are limited to a particular number. Market engagement meetings will take place between Tuesday 18th February and Friday 21st February.

The "Market Consultation Questionnaire" (market engagement invite) will be made accessible via the Open e-tendering system on Friday 24th January 2025 with a submission deadline of 5 p.m. Friday 7th February 2025.

Suppliers wishing to access and complete the "Market Consultation Questionnaire" (Market engagement invite) must first register on the e-tendering system using the following link [https://www.open-uk.org.\(https://www.open-uk.org\)](https://www.open-uk.org.(https://www.open-uk.org)).

Within the Questionnaire, Suppliers will be given the opportunity to register for a market engagement meeting by directly emailing NEPRO to select two meeting dates highlighting their preferred choice.

Market engagement meetings are limited in number and will take place the week commencing Monday 17th February 2025. Appointments will be no longer than 150 mins. NEPO intends to conduct these sessions in person in Gateshead, Tyne and Wear. In-person meetings will be determined via correspondence but are expected to take place at NEPO's offices. The time and location of each appointment will be confirmed following the registration deadline. NEPO may, by exception, use its discretion to facilitate online meetings in the event that in-person meetings are not feasible for suppliers. Places will be secured on a first-come, first-serve basis via directly emailing NEPRO to select two meeting dates highlighting their preferred choice.

Suppliers wishing to attend the market engagement meetings should be capable of meeting the requirements outlined within section 2.1.4 and above.

NEPO reserves the right to seek assurances from interested suppliers prior to allocating a place. Attendance at the market engagement is optional and does not provide suppliers with an advantage in any future related procurement. Attendance also does not constitute as an intention to tender for any future related procurement, nor does the meeting location.

Please note the above dates may be subject to change depending on availability and supplier uptake. In addition to the market engagement meetings, NEPO may also publish a soft market testing questionnaire via our Open E-Procurement system. Should this be issued, the questionnaire will allow a further opportunity for those suppliers unable to attend the market consultation meetings to contribute towards shaping the future NEPO535 Framework design. Should the questionnaire be issued, this will be published through Open for access and completion.

#### **II.2.14) Additional information**

The estimated value included in this prior information notice is based on current volumes per annum and extrapolated across the future framework period. The value may however be subject to change on the basis of design development between publication of the PIN and contract notice.

### **II.3) Estimated date of publication of contract notice**
