Scope

Description

The London Borough of Bromley is preparing to commence a procurement exercise for the provision of domiciliary care services for residents across the borough. Ahead of issuing a formal tender, the Council is undertaking further market engagement to help shape the service specification and inform the procurement approach. In the context of ongoing sector challenges, the Council is committed to fostering innovation to ensure domiciliary care services continue to support people to live independently.

The Council invites participation from providers who are suitably qualified, appropriately registered, and experienced, with the capacity and resources required to deliver these services.

This engagement session follows the initial market event held on 17 December 2025. Providers who registered for the initial event do not need to register again and will automatically receive an invitation. New suppliers wishing to attend must complete the online form linked to this notice. An invitation to the MS Teams session will be issued prior

to the engagement event, scheduled for Tuesday 27 January at 1 pm.
