II.2.4) Description of the procurement

The Contracting Entity is seeking to appoint a Principal Contractor to work with in order to deliver the design and construction of Able Marine Energy Park - Main Quay Works (the

Works).

The Works will be procured on a Design and Construct basis utilising the FIDIC EPC & Turnkey Form of Contract with Particular Amendments to the standard clauses, of which further information will be provided within the procurement documentation.

The first stage of the procurement will consist of the following:

- Standard Qualification Instruction to Suppliers (SQIS) document;
- Annexure A - Standard Selection Questionnaire (SSQ); and
- Annexure B - Draft Invitation to Negotiate (ITN).

The SSQ (Annexure A) is based upon the Crown Commercial Service standard template, and will be marked by an assessment panel using the process detailed in the SQIS.

A maximum of 6 Suppliers will be selected to proceed to the Tender stage, and will be issued the full and final Invitation to Negotiate (ITN) document, of which a draft version is annexed to the SSQ for information and reference purposes.

The Tender stage of procurement will be a competitive procedure with negotiation, to be conducted with the top 6 scoring Suppliers selected by the assessment panel and based upon the Suppliers SSQ response.

The 6 Suppliers selected to tender will each be issued with the full and final Invitation to Negotiate (ITN) document.

All completed Tenders must be submitted by the Tender Return Date stipulated in the procurement documents.

Once received and validated, compliant tenders will be evaluated in order to ascertain a Preferred Contractor.

The ITN will be evaluated on the basis of a 60% Quality and 40% Price weighting.

The Preferred Contractor, once appointed, shall be responsible for the Design, Procurement, Delivery to Site, Off-Loading, Construction, Installation and Commissioning (including all testing) relating to his delivery of the Able Marine Energy Park - Main Quay Works (as described above II.1.4).
