Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

Please note that this procurement process is being undertaken using the electronic tendering system 'CapitaleSourcing' (url:www.capitalesourcing.com).

Participants should register as a supplier on the portal using the aforementioned URL/link (if not already), then search for the opportunity titled using the Reference number stated below.

The estimated total value of the contract for each respective lot is stated in section II.2.6) of this notice and is for the entire duration, including all the optional extensions, together with all potential future needs as described within the tender documents.

The procurement is being run as a one stage process under the open procedure and therefore, if your organisation would like to participate in this tender exercise, it can do so by completing and returning the Qualification Envelope and the Invitation To Tender (ITT) questionnaire which can be found on the City's e-procurement portal at: www.capitalesourcing.com with the Reference number: prj_COL_18328.

Organisations must submit their completed Qualification Envelope and Invitation to Tender (ITT) questionnaire together with any supporting

documents, via the system by the return deadline of 12.00 noon on 17 March 2021 in order to participate and registration is free. Qualification Envelopes and Invitation to Tender (ITT) questionnaires cannot be uploaded after the return deadline.

The contracting authority will not be held accountable for any errors made by an organisation in submitting their applicable Qualification Envelopes and Invitation to Tender (ITT) questionnaires.

The contracting authority reserves the right at any time to vary the timescales in this notice, cease the procurement process and not award the agreement or to award only part of the opportunity described in this

notice. If the contracting authority takes up any of these rights then it will not be responsible for, or pay the expenses or losses, which may be incurred by any candidate or tenderer as a result. Economic operators

are solely responsible for their costs and expenses incurred in connection with the preparation of their tender submissions and all stages throughout the procurement. Under no circumstances will the contracting authority

be liable for costs or expense borne by the economic operators.

The procurement process that will apply to the requirement is specified in the procurement documents accordingly.

VI.4) Procedures for review

VI.4.1) Review body

High Court, Royal Courts of Justice

Strand

London

WC2A 2LL

Telephone

+44 20794760000

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The contracting authority will incorporate a minimum 10 calendar days (when using electronic means) standstill period at the point information on the award of the Agreement is communicated to tenderers. This period allows unsuccessful tenderers to challenge the decision to award an agreement before a contract is executed/signed (as appropriate).

The Public Contracts Regulations 2015 ('Regulations') provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly and within the time-limits as defined in the above regulations. Where an agreement has not been entered into the court may order the setting aside of the award decision or order the contracting authority to amend any document and may award damages. If the agreement has been entered into the court has the options to award damages and/or to shorten or order the agreement ineffective.

VI.4.4) Service from which information about the review procedure may be obtained

High Court, Royal Courts of Justice

Strand
