II.2.4) Description of the procurement

The Framework Agreement seeks to appoint a “single” Principal Contractor to deliver various building trades under one multi-trade agreement for call off by the University.

The requirements covers a wide and diverse range of work activities. These activities can be ordered either singularly or in multiples and include:

-Reactive and planned maintenance activities including an out of hours call out service for the trades\services noted above.

-Minor works and refurbishment projects up to a value of 500,000 GBP per project.

The expected period of the Framework Agreement is 3 years from the 01/08/2021 to the 31/07/2024 with option to extend by up to 12 month. Further information regarding the scope of this Framework Agreement is available on the Framework Agreement Scope document attached on the PCS portal.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 August 2021

End date

31 July 2024

This contract is subject to renewal

Yes

Description of renewals

Option to extend the Framework Agreement for up to 12 month after the initial 3 years

period.

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

Objective criteria for choosing the limited number of candidates:

Following the submissions evaluation, the University will apply a strict shortlisting to invite companies to the second stage.

We will only invite 5 qualified candidates even if more than 5 suppliers are qualified after evaluation of the SPD.

Further information about the scoring methodology, shortlisting and reduction to 5 qualified candidates is detailed within the document Appendix A Part 6.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

All information required will be stipulated in the SPD and the Further Information Questionnaire which can be downloaded at the address of the buyer profile shown at I.1 of this notice. This must be completed and returned with all supporting documentation no later than the deadline given at IV.3.4 of this notice. The SPD must be completed online and the Questionnaire Appendix A must be uploaded to the PCS website postbox. The University of Stirling will not assess any documentation received by post.

III.1.2) Economic and financial standing

List and brief description of selection criteria

All information required will be stipulated in the SPD and the Further Information Questionnaire which can be downloaded at the address of the buyer profile shown at I.1 of this notice. This must be completed and returned with all supporting documentation no later than the deadline given at IV.3.4 of this notice. The SPD must be completed online and the questionnaire Appendix A must be uploaded to the PCS website postbox. The University of Stirling will not assess any documentation received by post.

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: 3 years if the extension option is not used or 4 years if the extension option is used.

VI.3) Additional information

The University will apply a strict shortlisting process to invite companies to the second stage.

We will only invite 5 qualified candidates.

Further details can be found within the document Appendix A provided with this notice.

The Contractor will be required to minimise the environmental impacts of services delivered, including energy consumption and associated carbon emissions, and to work with the University to explore opportunities to create social, ethical and environmental improvement through the FA.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=641470.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at

https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

Not appropriate to this procurement.

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

The appointed Contractor will work with the University to deliver Community Benefits (or social value) throughout the term of the Framework Agreement. The details of the University's community benefits requirements will be detailed at the second stage.
