II.1.4) Short description

The London Borough of Barnet (LBB) has awarded a contract to appoint a supplier to deliver a new Waste Transfer Station (WTS).

The new WTS will be delivered via one of two options which is to be selected by LBB:

- 1) Delivery at a site located adjacent to Geron Way, or
- 2) Delivery at any alternative site which may be identified by LBB. LBB reserves the right to withdraw either of the options from the procurement.

For Geron Way, the design for this option is well developed and has conditional planning permission. Enabling works to clear the site have also been completed. If this option is selected by LBB, the supplier will be required to deliver the detailed design, construction, testing, commissioning and handover of a new WTS at Geron Way under a single stage contract.

For any alternative site, the supplier may be required to support LBB in the assessment of alternative delivery locations. If this option is selected by LBB, the supplier will provide the preliminary design (up to RIBA Stage

- 3) and support LBB in obtaining associated planning consents under the early contractor involvement terms

within the Contract (Stage 1). The main works (RIBA Stages 4 to 6) will form Stage 2 of the contract but LBB will be under no obligation to proceed to Stage 2 with the supplier if a price and/or design cannot be finalised in accordance with the requirements of Stage 1.

LBB invited interested suppliers with the necessary experience and capability (including of working alongside the railway) to successfully design, build, commission and handover a new WTS facility
