II.1.3) Type of contract

Services

II.1.4) Short description

Warwickshire County Council (the Council) on behalf of Coventry and Warwickshire integrated Care Board (ICB) and Coventry City Council is seeking to commission a Collaboration where each provider has an individual contract with the Council, with one

provider playing the co-ordination role of the partnership.

This service model is the preferred option for service delivery by all partners. However, we also would accept tender submissions from one provider who can demonstrate they are able

to deliver the full service specification.

The approach of delivery should be community-first and outcome-focused. It is envisaged that "One Front Door" (Single Point of Entry) is offered to simplify access into the pool of services that are operating under a shared visual identity/brand, through a Collaborative Partnership model.

The service will be available all year round to individuals who live in Warwickshire or Coventry

This service will include the following elements:

- Improved and coproduced offer of information and advice provided in an accessible format, including promotional resources to market that offer;
- Support for children, young people and adults awaiting an autism assessment and those diagnosed with autism residing in Coventry and Warwickshire, their siblings and parents/carers/family members (incl. 1:1 support, group support, peer support) provided as a blended online and face to face outreach offer;
- Autism awareness sessions for parents and family members of autistic children and young people, and adults;

- A Navigation function as front door for queries related to autism, assessment process and support available to people pre-assessment, post diagnosis and their parents/carers/family

members;

- Mentoring roles which will be aimed at providing guidance, motivation, emotional support, and role modelling as well as low-moderate level of Mental Health support to those using the

service;

- Working closely with specialist services such as Keyworkers or Intensive Support Service to facilitate step down for those individuals whose complex needs were stabilised, and they are

able to live in their local communities with non-specialist support; equally the service will facilitate a step-up provision to refer people they support to specialist services, as appropriate;

- Supporting those people whose needs do not meet social care eligibility criteria or where social care package of care does not meet some, non-eligible needs, which fall within the remit of this service (such as e.g. emotional needs or ability to maintain education or employment);
- Autism awareness and support to professionals working with people awaiting a neurodevelopmental assessment, those diagnosed with autism, and their families.

Section VI. Complementary information

VI.3) Additional information

During the course of the contract period the range and scope of these services may be subject to modification and variation to meet the changing needs and requirements of the Council and partners, potential changes in legislation and the changing demands placed on the Council by its customers. These changes may include (but are not limited to): -

- Increases or decreases in funding - this will usually be due to reductions or additions in budget allocations as part of the Council and partners' budget setting processes, It may also

be as a consequence of additional funding streams which were unknown at the time of awarding the contract but which are provided to increase the volume of services delivered.

- This contract is being funded either in full or in part by the Improved Better Care Fund and is therefore impacted by and is subject to any national or local decisions relating to the

Better Care Fund and associated Policy Framework

- Changes in legislation that may for example require the inclusion of new customer groups
- The identification of additional service recipients, not originally captured by the scope of the contract
- Opportunities offered by emerging/ new technologies
- Ongoing performance monitoring indicating a change required in allocations made for each service element from the overall funding amount
