Contract Monitoring. The successful contractor's performance on the contract will be regularly monitored. Contractors not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is paying for. If a contractor fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in CPD for further action. If this occurs and your performance does not improve to satisfactory levels within the specified period, this can be considered grounds for termination of the contract at your expense as provided for in the Mid-Tier Conditions of Contract. In lieu of termination, CPD may issue a Notice of Written Warning or a Notice of Unsatisfactory Performance. A supplier in receipt of multiple Notices of Written Warning or a Notice of Unsatisfactory Performance may, in accordance with The Public Contracts Regulations 2015 (as amended) be excluded from future public procurement competitions for a period of up to three years. The Authority expressly reserves the rights: (I) not to award any contract as a result of the procurement process commenced by publication of this notice; (II) to make whatever changes it may see fit to the content and structure of the tendering Competition; (III) to award (a) contract(s) in respect of any part(s) of the services covered by this notice; and (IV) to award contract(s) in stages. In no circumstances will the Authority be liable for any costs incurred by candidates.
