? The award criteria are set out within the Evaluation Sheet for each Lot. They comprise both Financial (price) and Non-Financial (policy cover, claims service and Social Value) criteria.

? Please ensure you respond to each element of the evaluation criteria for each Lot you submit. ? There is a menu option "Please State Variation" against each requirement; this option should be selected where the Economic Operator cannot comply with any of the requirements of any given Lot, but, can offer similar cover, or, where the Economic Operator is providing the cover, but under another Lot. The Economic Operator must clearly indicate the nature of the variant cover being offered and, where appropriate, the Lot where the core cover is provided within the column marked "Additional Comments, Subjectivities, Variations and/or Exceptions".

? By completing and returning the Evaluation spreadsheets the Economic Operator is accepting that the final points awarded are at the sole discretion of the Company.

? Please note that the Economic Operator must evidence any Policy Cover, Claims Handling Requirements, Service Delivery and / or Social Value being provided via their Tender response, method statement, quotation, endorsement and/or policy wording. Where this is not provided Marsh and/or the Company reserve the right to reduce points accordingly.

? Please note that the Evaluation Sheets/Tabs should be read in conjunction with this Invitation to Tender document, attaching appendices and the accompanying risk information.

? All the Evaluation sheets/tabs relating to the Lot(s) the Economic Operator is Tendering for should be completed and returned with the Economic Operator's Tender response / submission.
