Northern Ireland Fire and Rescue Service (NIFRS) are seeking to provide centralised purpose-built training facilities to provide the following key features:

- Learning and Development Centre (LDC) featuring classrooms, workstations, assembly hall, kitchen, dining, gym and changing facilities to support NIFRS Training
- Training Warehouse with Fire Station, providing simulated training environments for marine, residential, industrial and commercial premises
- Drill Tower for fire rescue and ladder training
- Flood Water Training Facility for flood and river rescue.
- Call-out Village for domestic incident scenario training with various housing types.
- Search and Rescue Training Area providing a training environment for collapsed buildings and below ground rescue.
- Simulated Industrial and Chemical Training Area for hazardous materials training.
- Motorway and Embankment and network of A and B category roads for specialist training road traffic collision rescue training.
