Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The stock levels that the supplier hold support EMR with an average availability of 88%, consumables specifically targeted at 92%. The supplier holds various stocks for 158 vehicles, including the large kits that we procure for C4 Maintenance. The supplier holds an average of £482k worth of stock specifically for EMR use therefore there would be significant cost and compatability issues if we were to change supplier. The supplier holds the right to repairable float used to support EMR vehicles.
