Public Health Wales (PHW) needs to develop capacity and demand modelling processes to support Screening Services. This requires us to have access to appropriate

- software

- skills and techniques

to build the modelling tools and transfer skills to Public Health Wales

to enable PHW to maintain and develop the models.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

It is considered that this contract can be placed using the negotiated procedure without prior publication of a contract notice pursuant to

Article 32(2)(b)(ii) of the Directive 2014/24/EU (Regulation 32(2)(b)(ii) of the Public Contract Regulations 2015). This is for technical reasons in that this contract may not be awarded to any other particular economic operator and no reasonable alternative or substitute exists as the development of such an advanced system cannot be provided in a short time scale and it is not available without investing a disproportionate and unreasonable amount of public money and no other economic operator can perform this contract. The appointment of another economic operator would disrupt service delivery. Such a

change would also result in a potential threat to the health and well being of the population Wales.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession
