Housing and community amenities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

EWS1 - MO - 2021

II.1.2) Main CPV code

- 71315300 - Building surveying services

II.1.3) Type of contract

Services

II.1.4) Short description

TRGL have 266 buildings identified as high rise/risk 46 North, 95 Liverpool City Region, 125 South & Central

TRGL require External Wall Surveys (EWS) completing, to obtain EWS1 Forms for the above, subject to customer requirements

TRGL are aware some remedial works may be required following EWS that will need satisfactory completion prior to an EWS1 Form

TRGL will require a management consultant/CDM to manage this project

The purpose of this soft market test is to gain understanding of the supply chain and how these type of projects are delivered, to enable TRGL to structure requirements to meet market capabilities

Although "Lots" have been defined in this notice, we are asking interested parties to COMPLETE AND RETURN our document entitled 'TRGL - EWS1 Soft Market Testing' via our e-tendering portal RiverSource NO LATER THAN 12PM (NOON) FRIDAY 5TH MARCH 2021. Feedback received may change Lot structure, or result in no Lots, and one contract

II.1.5) Estimated total value

Value excluding VAT: £3,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description

II.2.1) Title

External Wall Survey (EWS)

Lot No

1

II.2.2) Additional CPV code(s)

- 71315300 - Building surveying services

- 45343100 - Fireproofing work
- 44212381 - Cladding
- 45262650 - Cladding works
- 71000000 - Architectural, construction, engineering and inspection services
- 44000000 - Construction structures and materials; auxiliary products to construction (except electric apparatus)
- 71315200 - Building consultancy services

II.2.3) Place of performance

NUTS codes

- UK - UNITED KINGDOM

II.2.4) Description of the procurement

To carry out basic/intrusive external wall surveys to the buildings outlined above, with a view to being able to produce a specification/schedule of cladding remedial works to ensure the building(s) meet current Building Safety Regulations, and to enable TRGL to obtain an EWS1 Form as necessary.

TRGL may request that the management consultant/CDM produces the specification/schedule of works within the remit of Lot 4 Management Consultant/CDM if this would be more appropriate, and if it cannot be covered within the remit of Lot 1 External Wall Survey (EWS).

II.2) Description

II.2.1) Title
