Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Heating Systems, Servicing, Maintenance, Inspections and Installations Works

Reference number

DN648058

II.1.2) Main CPV code

- 50720000 - Repair and maintenance services of central heating

II.1.3) Type of contract

Services

II.1.4) Short description

Thanet District Council is seeking to procure a contractor that will service, maintain and install heating systems, including electric heating, gas heating and any future heating technologies solutions that may be required within the contract period for the Council's Social Housing stock.

This service is to include:

Healthy and safety inspections and certificates

Routine servicing

Void work/inspections on heating systems

Repair/Maintenance

Installation

Inspection and maintenance of safety devices in tenanted properties (for example: smoke detectors/CO alarms)

Out of hours call out for emergency repairs

Supporting the Councils Net Zero strategy

The Contract is anticipated to commence upon 1st April 2023 for a duration of 3 years, with two options to extend for a further two years each, unless terminated in accordance with the Conditions of the Contract.

Important Information: All procurement documents are attached to the notice and available for suppliers to download and complete from the Kent Business Portal

(www.kentbusinessportal.org.uk) according to instructions contained.

The procurement process will be undertaken on the basis of formal tenders. Evaluation will be on the basis of criteria and methodology as set out in the Invitation to Tender document.

Any clarifications or questions must be submitted via the Message area of the Kent Business Portal by no later than 17.00hrs on 15 January 2023.

Completed tender documents must be submitted electronically via the Kent Business Portal by no later than 17.00hrs on 27 January 2023.
