Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Value uplift to support duration of contract to provide agile development, maintenance and support capabilities to support business continuity

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Not modifying would cause significant service disruption, key services cannot continue to support business continuity whilst future of the service is determined. Interchangeability and interoperability is unviable. Business continuity is critical and services must continue for T Levels for short period.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £2,800,000

Total contract value after the modifications
