II.1.4) Short description

The NHS Wales Shared Services Partnership, hosted by Velindre NHS Trust are acting on behalf of

Cardiff and Vale University Local Health Board who are seeking to establish a contract for the Sale of Rookwood Hospital.

Rookwood Hospital was originally constructed in the late 1860's for Col. Sir Edward Stock Hill, though landscaping is

believed to have begun in the 1770's when the grounds became part of the estate of Thomas Edward of Llandaff House.

The house was turned over to health care use in 1917 where it was used for the rehabilitation of those who have suffered

paralysis and also for the provision of artificial limbs, appliances and aids.

The main part of the hospital closed in 2020 when services were relocated to Llandough Hospital but the Artificial Limb and Appliance Service (ALAS), outlined in blue on the site plan, remains operational.

Rookwood Hospital Charity are seeking expressions of interest for the sale of the property as a whole or in parts.

II.2.4) Description of the procurement

The sale is being conducted as a two stage process:

Stage 1 – Expressions of Interest Rookwood Hospital Charity are interested in understanding the level and type of interest in the property and for what type of uses. They would also like to understand whether that interest is for the whole of the site or part only.

They also understand the complexity and potential uncertainty around the availability and future release of the area outlined blue on the plan and they are therefore keen to explore potential options for the future release of that land but only in the event that there is appetite from the market in structuring a sale on this basis.

Interested parties are therefore asked to initially express their interest by completing the “Expression of Interest Form” by midday on Wednesday 21st February 2024, in accordance with the Instructions to Tenderers – both of which are provided in the Information Pack.

Stage 2 – Informal Tender Following the Stage 1 process, those parties who have expressed an interest will be invited to make a proposal via an informal tender process.

Offers will be invited on an unconditional and/or conditional upon receipt of planning basis. Instructions to Tenderers information will be added to the data room, setting out the bid requirements following Stage 1 and prior to the invitation to provide a proposal under Stage 2.

It is expected that invitations to tender will be issued during week commencing 18th March 2024 and proposals returned via etenderwales Bravo Portal week commencing 8th May 2024, but further details on the programme and tender requirements will be provided once the Stage 2 invitation is submitted.
