Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Maintenance and Servicing of the C.H.A.P. Mesocosm Facilities at York, UK

Reference number

019/0221/OET

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

Agri-EPI acting on behalf of CHAP is seeking bids from qualified and experienced vendors to provide maintenance and servicing requirements only for the following facilities at CHAP, York, Y041

The E-Flows mesocosm. This is Europe's most advanced edge-of-field water assessment facility, which enables environmental testing of plant protection products to meet the most stringent regulatory standards, helping to introduce a wider range of more effective products to market more quickly and to help farmers tackle threats to their crops.

II.1.5) Estimated total value

Value excluding VAT: £3,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE - YORKSHIRE AND THE HUMBER

Main site or place of performance

York, North Yorkshire, Y041 postcode in England

II.2.4) Description of the procurement

Provide maintenance and servicing requirements, including where applicable replacement of any components and parts in conjunction with any manufacturers existing warranty and servicing stipulation, and any related requirements from CHAP that may be stipulated in the continual operations of the facilities.

CHAP is seeking bids from qualified and experienced vendors to provide maintenance and servicing requirements only* for the following facilities at CHAP, York, Y041. (*for the avoidance of doubt, the scope of this requirement does not cover additional elements such as ground rent, IT and licences.)

The E-Flows mesocosm. This is Europe's most advanced edge-of-field water assessment facility, which enables environmental testing of plant protection products to meet the most stringent regulatory standards, helping to introduce a wider range of more effective products to market more quickly and to help farmers tackle threats to their crops.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £300,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

24

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No
