YORconsult3 Consultants Framework Agreement

East Riding of Yorkshire Council

F02: Contract notice

Notice identifier: 2024/S 000-002778

Procurement identifier (OCID): ocds-h6vhtk-043509

Published 26 January 2024, 3:11pm

Section I: Contracting authority

I.1) Name and addresses

East Riding of Yorkshire Council

Cross Street

BEVERLEY

HU179BA

Contact

Roy Ibbotson

Email

info@yorhub.com

Country

United Kingdom

Region code

UKE12 - East Riding of Yorkshire

Justification for not providing organisation identifier

Not on any register

Internet address(es)

Main address

<http://www.eastriding.gov.uk/>

I.3) Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at

<https://yortender.eu-supply.com/>

Additional information can be obtained from the above-mentioned address

Tenders or requests to participate must be submitted electronically via

<https://yortender.eu-supply.com/>

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

YORconsult3 Consultants Framework Agreement

Reference number

CM182

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

A Framework Agreement for construction consultancy services to serve public bodies (and their statutory successors) and third sector organisations primarily in the Yorkshire and Humber region, North East of England, Nottinghamshire, Derbyshire and Lincolnshire. As detailed in the procurement documents.

This framework replaces the original YORconsult2 North and East Area Consultants Framework and YORconsult2 South and West Area Consultants Framework. It builds upon their legacy of partnership and collaborative working. The full list of accessing bodies is detailed within VI. The framework agreement is divided into 12 lots relating to the type of services awarded under the framework agreement (see II.2 information about lots).

All documents are available, free of charge, via <https://yortender.eu-supply.com/> using reference CM182 (<https://yortender.eu-supply.com/>).

II.1.5) Estimated total value

Value excluding VAT: £152,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

As set out in the procurement documents.

II.2) Description

II.2.1) Title

Civil Engineering Services

Lot No

1

II.2.2) Additional CPV code(s)

- 45112450 - Excavation work at archaeological sites
- 63712700 - Traffic control services
- 71200000 - Architectural and related services
- 71300000 - Engineering services
- 71400000 - Urban planning and landscape architectural services
- 71500000 - Construction-related services
- 71600000 - Technical testing, analysis and consultancy services
- 71700000 - Monitoring and control services
- 71800000 - Consulting services for water-supply and waste consultancy
- 71900000 - Laboratory services
- 79300000 - Market and economic research; polling and statistics
- 90490000 - Sewer survey and sewage treatment consultancy services
- 90700000 - Environmental services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKE - Yorkshire and the Humber
- UKF1 - Derbyshire and Nottinghamshire
- UKF3 - Lincolnshire

Main site or place of performance

East Yorkshire UKE1

Lincolnshire UKF3

North East England UKC

North Yorkshire UKE2

South Yorkshire UKE3

West Yorkshire UKE4

Yorkshire and the Humber UKE

Derbyshire and Nottinghamshire UKF1 are included for education requirements only.

Further details are in the Framework procurement documents.

II.2.4) Description of the procurement

Main services include services for highway works, pedestrianisation, park and ride schemes, traffic safety works, highways environmental improvements, hard landscaping, bridge works, public realm works, signals and lighting services, supervision, and other civil engineering works, including associated drainage (but excluding the main services included in Lots 2, 11 and 12).

Some ancillary services including building services, urban planning, environmental, archaeological services and market / economic research services may also be included. This could include environmental impact assessments, appropriate assessments, audits, habitat creation/ restoration studies, habitat surveys and other environmental services.

The coverage for both the main services and ancillary services may involve all or any stages of services including planning, feasibility, studies, surveys, design/project preparation, site supervision and also providing advice and project management services associated with these services.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £45,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The framework has an option to extend for a further period of two years to allow the appointed consultants adequate time to recoup their significant initial investment in establishing processes and procedures that will deliver the improvements that the clients

are seeking through this framework. These include Economic Regeneration, Carbon and Waste Reduction, Training and Employment initiatives, training of their staff to new ways of working, BIM, the Construction Playbook and Construction Innovation Hub Value toolkit.

In addition there will be significant investment required from clients in undertaking the selection and evaluation process, and in particular the training of their staff and consultants to new ways of working. The partnering and collaborative working objectives that will form part of this framework may only be capable of being realised over longer periods of time than four years, not least because a number of public sector bodies may only start using this

framework when their existing arrangements expire.

Further details are set out in the framework documents. Provisional timetable for recourse to these options in months: 48 (from the award of the framework).

II.2.14) Additional information

Subject to the technical and financial capability and capacity of applications, it is envisaged that 10 consultants will be appointed to this Lot.

Some projects may receive financial contributions from European Union Funds.

II.2) Description

II.2.1) Title

Transportation Services

Lot No

2

II.2.2) Additional CPV code(s)

- 63712700 - Traffic control services
- 71311200 - Transport systems consultancy services
- 71313400 - Environmental impact assessment for construction
- 71317200 - Health and safety services
- 71319000 - Expert witness services
- 71322000 - Engineering design services for the construction of civil engineering works
- 71335000 - Engineering studies
- 71356000 - Technical services
- 71400000 - Urban planning and landscape architectural services
- 79300000 - Market and economic research; polling and statistics

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKE - Yorkshire and the Humber
- UKF1 - Derbyshire and Nottinghamshire
- UKF3 - Lincolnshire

Main site or place of performance

East Yorkshire UKE1

Lincolnshire UKF3

North East England UKC

North Yorkshire UKE2

South Yorkshire UKE3

West Yorkshire UKE4

Yorkshire and the Humber UKE

Derbyshire and Nottinghamshire UKF1 are included for education requirements only.

Further details are in the Framework procurement documents.

II.2.4) Description of the procurement

Main services include services for strategic and other studies, transportation modelling and intelligent transport systems; some scheme development work may be included.

Some ancillary services including urban planning, environmental and market/ economic research services may also be included. This could include environmental impact assessments, appropriate assessments, audits, habitat creation/ restoration studies, habitat

surveys and other environmental services.

The coverage for both the main services and ancillary services may involve all or any stages of services including planning, feasibility, studies, surveys, design/project preparation, site supervision and also providing advice and project management services associated with these services.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £4,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The framework has an option to extend for a further period of two years to allow the appointed consultants adequate time to recoup their significant initial investment in establishing processes and procedures that will deliver the improvements that the clients are seeking through this framework. - 71356000 - Technical services
- 71520000 - Construction supervision services
- 71540000 - Construction management services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKE - Yorkshire and the Humber
- UKF1 - Derbyshire and Nottinghamshire
- UKF3 - Lincolnshire

Main site or place of performance

East Yorkshire UKE1

Lincolnshire UKF3

North East England UKC

North Yorkshire UKE2

South Yorkshire UKE3

West Yorkshire UKE4

Yorkshire and the Humber UKE

Derbyshire and Nottinghamshire UKF1 are included for education requirements only.

Further details are in the Framework procurement documents.

II.2.4) Description of the procurement

Main Services involve Project Management, Contract Administration and Site Supervision Services for building work including new build, refurbishment and maintenance projects.

Some ancillary services: including other Building disciplines and Clerk of Works services may also be included.

The coverage for both the main services and ancillary services may involve all or any stages of services including planning, feasibility, studies, surveys, design/project preparation, site

supervision and also providing advice and project management services associated with these services.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £3,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The framework has an option to extend for a further period of two years to allow the

appointed consultants adequate time to recoup their significant initial investment in establishing processes and procedures that will deliver the improvements that the clients are seeking through this framework. These include Economic Regeneration, Carbon and Waste Reduction, Training and Employment initiatives, training of their staff to new ways of working, BIM, the Construction Playbook and Construction Innovation Hub Value toolkit.

In addition there will be significant investment required from clients in undertaking the selection and evaluation process, and in particular the training of their staff and consultants to new ways of working. The partnering and collaborative working objectives that will form part of this framework may only be capable of being realised over longer periods of time than four years, not least because a number of public sector bodies may only start using this framework when their existing arrangements expire.

Further details are set out in the framework documents. Provisional timetable for recourse to these options in months: 48 (from the award of the framework).

II.2.14) Additional information

Subject to the technical and financial capability and capacity of applications received, it is envisaged that 8 consultants will be appointed to this lot.

Some projects may receive financial contributions from European Union Funds.

II.2) Description

II.2.1) Title

Local Authority Forward Planning Services and Development Management

advertisement and/or where the contracting public bodies are trustees or partners of the Trusts, Social Enterprises, Mutuals and Community Interest Companies or any similar organisation).

Other additional Public Bodies operating in this Region but not specifically referred to may also use this Framework. It further includes successors to those organisations already identified and their subsidiaries. It is intended that the framework will deliver a significant proportion of the general civil engineering and related works of these public sector bodies. However, these public sector bodies do not guarantee to award a minimum value or indeed any value of services under the proposed arrangement.

All financial values stated in this notice do not include VAT.

VI.4) Procedures for review

VI.4.1) Review body

East Riding of Yorkshire Council

County Hall

Beverley

HU17 9BA

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

East Riding of Yorkshire Council will incorporate a standstill period at the point information on the award of the framework is communicated to tenderers. The notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the framework is entered into. The Public Contracts Regulations 2015 provide for an economic operator who suffers or risks suffering loss or damage by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
