Kilburn Grange School* Priory Park Road, Kilburn, Brent, NW6 7UJ

Whitehall Park School* 106 Hornsey Lane, Islington, N6 5EP

However more schools may be added during the framework.

II.2.4) Description of the procurement

The service requirements for the purpose of tendering are broken down into two components.

Condition survey review

Each year BPET will secure funding for the year. BPET will require the successful service provider to review the school condition surveys and any reports of issues across the estate and provide a priority list of works. As part of the project building surveying services will be to update the condition reports, we expect this requirement to be carried out annually after each funding round.

The service provider will issue to BPET a report that confirms the top 12 projects that are required to be prioritised, with a budget cost of works for each project. This will be tabled with BPET and the projects to be delivered for that year will be agreed. Once these projects have been agreed the service provider will provide BPET with fixed fee's to deliver the projects.

Project building surveying services

BPET will appoint the Building Surveyor to deliver the agreed annual projects. The appointment will be based on the Building Surveyor providing the scope of services contained in Appendix A and the fee's will be as per those tendered.

We note that BPET reserves the right to not award projects that are funded by the Capital Schools Allocation or any other funding streams to the successful bidder. An agreed list will be confirmed once the above processes have been followed.

We note that the size of projects may differ year on year and that may affect the cost of the service. We therefore request that you tender on the basis of no more than eight projects in the year that total £500k. If there is a requirement for more projects to be delivered; then the day rates submitted as part of this tender will be used, to confirm any additional fee's.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £300,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system
