STA 22

Description

We require 11,000 sqm of flooring, which will interlock with the current flooring we have in place for summer events. We require flooring that has a 10 year warranty period, to support our desire to have a good invest to save ratio.

To reduce the potential for issues, it is recommended to purchase more to create a standardised product flooring for all Pad areas in the stadium and reduce the need to hire flooring for future years.
