Minimum level(s) of standards possibly required: This information will be sought through the formal PQQ and an ITT.

Section IV: Procedure

IV.1) Type of procedure

IV.1.1) Type of procedure

Restricted

IV.1.2) Limitations on the number of operators who will be invited to tender or to participate

Envisaged minimum number 3 and maximum number 6

Objective criteria for choosing the limited number of candidates: Envisaged minimum number 3 and maximum number 6 will be taken through to ITT.

The assessment criteria is set out within PQQ PAS 91 which respondents will be asked to complete subsequently in order to potentially down select to the maximum number of companies required to be invited to tender with the Authority.

The questions within the PQQ will be evaluated as either Pass/Fail, Yes/No or a Scored Evaluation:

(a) PASS/FAIL Evaluation. A number of PASS/FAIL questions each of which must be passed by the Potential Provider in order to progress (except where the Authority has discretion not to fail the Potential Provider). Where evidence has been requested to support a PASS/FAIL question this should be of an acceptable standard.

(b) YES/NO Evaluation. A number of YES/NO questions each of which requires information to be provided by the Potential Provider in order to progress. Where evidence has been requested to support a YES/NO question this should be of an acceptable standard.

(c) Scored Evaluation. An assessment through a Scoring methodology, by Subject Matter Experts (SMEs), of the responses and supporting evidence provided by a Potential Provider to each question with a range of criteria. The Authority may require Potential Providers to demonstrate a minimum capability in certain areas.

The evaluation criteria for each question is detailed within the supporting documents of the PQQ. Potential Providers are to note that where a PASS/FAIL question allows the Authority the discretion to PASS/FAIL, then the Authority will exercise its discretion in determining the exclusion or not of a Potential Provider.

Please Note that a some scored questions require the potential provider meet a minimum

score. Failure to obtain a score in any question will result in the potential providers failure to meet the minimum requirements of the PQQ and therefore their submission will be deemed to have failed. For details of the minimum scores please see supporting document.

IV.2) Award criteria

IV.2.1) Award criteria

the criteria stated in the specifications, in the invitation to tender or to negotiate or in the descriptive document

IV.2.2) Information about electronic auction

An electronic auction has been used: no

IV.3) Administrative information

IV.3.1) File reference number attributed by the contracting authority

DIOCB1/246

IV.3.2) Previous publication(s) concerning the same contract

no

IV.3.3) Conditions for obtaining specifications and additional documents or descriptive document

Time limit for receipt of requests for documents or for accessing documents: 26 February 2021 - 10:00am

Payable documents: no

IV.3.4) Time limit for receipt of tenders or requests to participate

15 March 2021 - 10:00am

IV.3.6) Language(s) in which tenders or requests to participate may be drawn up

English

Section VI: Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about European Union funds

The contract is related to a project and/or programme financed by European Union funds: No

VI.3) Additional information

A) The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the Authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise. The link below to the [Gov.uk](https://www.gov.uk) website provides information on the Government Security Classification.

B) The Cyber Risk Profile for this requirement identified by the Cyber Risk Assessment is Very Low, Reference -RAR JKXW267Y. At ITT stage any down selected suppliers will be required to complete the cyber risk assessment and obtain the correct cyber security, where cyber essentials is required. This is the link to the 'Cyber Supplier Assurance' compliance questionnaire online tool: www.gov.uk/government/collections/defence-cyber-protection-partnership or <https://suppliercyberprotection.service.xgov.uk>

C) It is envisaged that an online industry day will be held for the down selected Potential Providers (PP'S) after the Pre-Qualification Questionnaire (PQQ) process.

D) The Buyer is supported by external service providers. These companies are regarded as integral data and tenderer information. The buyer reserves the right to engage from time to time with other external advisers as it considers necessary. The advisers currently appointed are: Ramboll (UK) Ltd.

E) Due to the current Covid-19 restrictions a site visit will not be applicable. The Authority will aim to complete a virtual site visit. More details will be provided to the down selected PP's. The Authority will be monitoring the Covid-19 restrictions and will keep the down selected PP's up to date with any changes.

F) Security checks will be completed for the down selected PP's only. Depending on the classifications of the tender documents if the PP's does not already hold clearance, then Baseline Personnel Security Standard (BPSS) would need to be obtained to receive tender documents. With Security Check Clearance required to undertake work on the contract. Further details will be provided to the down selected PP's. Copies of the BPSS application form are provided in the supporting documents to show PP's the information required.

G) All down selected PP's must be willing to sign the Official Secrets Act, a copy is attached to supporting information.

H) For the PPQ some questions require an uploaded document but may not require a response. Please use the support document no response for any PPQ response that requires no response.
