II.2.4) Description of the procurement

The key objectives of the proposed procurement are to commission innovative services that serves the persons needs within an environment that promotes, develops and maintains independent living as much as possible and if possible and offers people real rights as tenants. Dudley MBC will work with a property developer to design and build the establishment and ideally identify a Care and Support Provider and a Housing Provider so

this design and build can be done in a collaborative way. The procurement for this service should commence over the coming months. While this market engagement event will inform the commissioning of the services outlined above, the commissioners would also like to use this opportunity to gather the views of providers who may be interested in other future opportunities such as phase 2 of the project that is looking at developing Extra Care Plus with nursing care provision. The Commissioners are seeking to engage with the market to gather the views of potential providers on various aspects of how the services should best be configured and organised. Potential providers are invited to provide their views and comments on the aspects of the service model outlined. If your organisation is interested in providing this model in Dudley MBC, attending this event will enable you to contribute and inform the commissioning of these services and future opportunities. Please note the deadline for the market engagement responses is by 5 p.m. on 1st March 2021. A draft procurement timetable is shown below to identify the key milestones of the subsequent procurement; please note, this is a draft, indicative timetable that is subject to change:
