the case of a new job) to individual participants on completion of the course.

o to address the needs of adults (19+) who are full-time and part-time employed, unemployed, returning to work after a break or self-employed, and provide individuals with wider access to opportunities to retrain, update or formalise their skills or acquire specialist skills.

o to address the needs of local employers and the Cambridgeshire and Peterborough economy, to deliver targeted interventions to meet short-medium term demand to fill vacancies and drive productivity. They will help fill medium-higher level vacancies and bring individuals closer to better jobs, by linking them with line of sight to a job/ different role, additional responsibilities or new opportunities/contracts.
