UK - United Kingdom

Internet address(es)

Main address

https://www.gov.uk/government/organisations/department-for-environment-food-rural-affairs

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Environment

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

The development and testing of two pollinator functional indicators: a wild plant functional indicator and a crop functional indicator – D7: Species supporting ecosystem functions

II.1.2) Main CPV code

• 90711500 - Environmental monitoring other than for construction

II.1.3) Type of contract

Services

II.1.4) Short description

Contract award for The development and testing of two pollinator functional indicators: a wild plant functional indicator and a crop functional indicator – D7: Species supporting ecosystem functions.

The primary aim of this project is to further develop the D7 indicator in relation to pollinators.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £100,000

II.2) Description

II.2.3) Place of performance

NUTS codes

• UK - United Kingdom

II.2.4) Description of the procurement

Contract award for The development and testing of two pollinator functional indicators: a wild plant functional indicator and a crop functional indicator – D7: Species supporting ecosystem functions.

The primary aim of this project is to further develop the D7 indicator in relation to pollinators.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

• The procurement falls outside the scope of application of the regulations

Explanation:

This is a Single Tender Action (STA) under Regulation 32 of the PCR 2015.

The justification for the Single Tender Action is because the Supplier owns the Intellectual Property Rights and they are the Sole Supplier. The Supplier completed Phase I of this project, which was competitively tendered, and they hold the required datasets needed to complete Phase II.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract

Contract No

63331

Title
