NUTS codes

- UKH17 - Breckland and South Norfolk
- UKH16 - North and West Norfolk
- UKH15 - Norwich and East Norfolk

Main site or place of performance

Norfolk

II.2.4) Description of the procurement

Before we go out to tender, we wish to engage with the market and invite interested bidders to attend a Teams meeting to hear more about this project. If you wish to engage with us, please express an interest in this project (after registering on intend. The website address is <https://in-tendhost.co.uk/norfolkcc>), and use the correspondence facility. We expect the 1 to 1 meetings to take place during the fortnight beginning 5th February 2024 over Teams. If you are interested, please send the names and email addresses of all who wish to attend to Theresa.king@norfolk.gov.uk and an invitation will be issued. Norfolk County Council are the relevant authority for the Norfolk Coroners Service. We wish to enter into a contract to provide digital autopsy (CT scanning) services for the Coroner for the county of Norfolk. Digital Autopsy/CT Scanning is used as first line intervention as an alternative to traditional post-mortem examinations within Norfolk. Patients are scanned via a CT Scanner and images from the scan are then used by specially trained radiologists and coroners' pathologists to assist in ascertaining a cause of death. It is anticipated that a cause of death can be ascertained in approximately 75% of cases where patients have been scanned. This avoids the need to use the more traditional invasive approach to post mortem in these cases.

II.3) Estimated date of publication of contract notice

23 January 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Please note we are currently only seeking expressions of interest and to inform you of the opportunity for market engagement. As such no documentation is currently available. This procurement will be managed electronically via the Council's e-procurement system. To participate in this procurement and gain access to documents when they are available, applicants must first be registered on the system at <https://in-tendhost.co.uk/norfolkcc>. Full instructions for registration and use of the system can be found at <https://in-tendhost.co.uk/norfolkcc/asp/BUYERPROFILES>. Once registered you will be able to see the procurement project under the `tenders` section and `express an interest` in the project. If you encounter any difficulties whilst using the system you can contact the In-tend support team by phoning +44 8442728810 or e-mailing support@in-tend.co.uk.
