## **II.2.4) Description of the procurement**

GFL is looking to appoint a single contractor to Design, Supply, Install and Commission a Flue Glass Cleaning Abatement System for their Centre of Excellence in St Helens, Northwest England including but not limited to the following:

Full Mechanical installation and commissioning of all equipment and individual components.

Design and supply for the complete fabrication of the FGC package and ductwork from the connection point from the furnace and including all systems leading up to and the Stack.

The provision of calculations relating to the expansion of all ducting and pipework.

Full Electrical Installation and commissioning of all equipment and individual components.

Electrical supplies and control cabling as required to all equipment.

All Mechanical and Electrical containment supports and fixings.

GFL requires a price for both standard instrumentation/components and separately ATEX rated instrumentation/components.

The provision and installation of all associated valves, pressure regulators and fittings.

Instrumentation and Process Control hardware that is compatible with our Distributed Control System (DCS).

Full package of drawings and technical documents relating to all applicable areas and components of the FGC package.

The design installation and layout should give consideration all foreseeable maintenance requirements and procedures.

All calculations relating to the operation and the performance of the Flue Gas Cleaning system should be produced by the contractor and part of the design scope.

Provision and contribution to any required safety surveys from project conception through to completion i.e. HAZID, HAZOP & HAZCON.

Provision and execution of all FAT / SAT requirements to all applicable areas and components of the FGC package.

Provision and execution of all commission requirements i.e. Cold & Hot

Provide a separate cost for a 5-year service and maintenance package

#### **II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 55
