II.2.4) Description of the procurement

Norfolk County Council's Public Health team are seeking to procure a suitable Provider to deliver a Norfolk wide NHS Health Check (NHS HC) community provision service. The service will comprise of the following key elements: • Flexible and accessible community-based provision delivered by trained practitioners as per the NHS HC Competency Framework. • Minimum target delivery of 22,700 NHS HCs. • A focus on engaging innovatively with communities across Norfolk, as well as to targeted groups where there are higher levels of deprivation and health inequalities. • Working closely with GP practices across Norfolk to provide capacity support, raise awareness of NHS HCs and encourage NHS HC invitations. • Providing support with the expected roll-out of the NHS Digital Health Check in 2024. Indications at this stage is of a potential minimum lifetime contract value of £1.89 million (non-capped) over 3 years (3-year possible extension), delivered as a block contract of £420,000 per year. Start of contract 1st October 2024. We wish to carry out engagement with the market prior to release of a contract notice. If you wish to engage with us, please express an interest in this project (after registering on intend. The website address is <https://in-tendhost.co.uk/norfolkcc>) and use the correspondence facility. We expect the event to take place week commencing 4th March 2024 over Teams. If you are interested, please send the names and email addresses of all who wish to attend. An invite will be issued with joining instructions and a draft copy of the service specification. If you have comments or questions relating to the specification, please send them in via correspondence through in-tend. We can then provide responses at the event. We also intend to offer a limited number of 1 to 1 meetings during this week. If you would like to attend one of these meetings, please email suzanne.wilkin@norfolk.gov.uk.

II.3) Estimated date of publication of contract notice

15 January 2024
