Description

Hywel Dda University Health Board (HDUHB) have awarded a contract to renew their cyber resilience licences utilised across the Health Board. The platform allows digital services to educate staff on how to identify attacks and respond with confidence by providing short training content for staff for awareness and reporting. The solution provides digital services with metrics to track trends and identify areas where further awareness or knowledge sharing is required.

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

The Health Board requires a cyber resilience phishing simulation and awareness subscription to strengthen staff readiness against phishing attacks and meet NHS Wales cyber security standards. They are looking to align this contract with their neighbouring Health Board, Swansea Bay to achieve significant technical, operational and monetary savings. This direct award is made under the provisions of Section 41 and Schedule 5 of

the Procurement Act 2023, specifically given the exclusive integration and the absence of reasonable alternatives that can deliver the same level of interoperability and functionality without disproportionate cost and risk.
