Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

The framework is value lotted, Bidders may only apply for lots where their organisation's turnover (average over the last 2-years) is at least DOUBLE the value band of the lot.

It is a requirement of this contract that bidders should be able to provide one of the following:

a. A copy of your audited accounts or equivalent for the most recent 2 years (2 sets of signed, audited accounts), along with details of any significant changes since the last year end.

or

b. A statement of your organisation's turnover; profit and cash flow for the most recent full year of trading or where a full year trading has not been completed the same information for the period applicable. NOTE if this information is not available in an audited format please provide an end of period balance sheet or make the response specified in option (c) below.

or

c. If you are unable to provide the information requested above, please provide additional information and documentation that will give the Authority the assurance that you are capable of carrying out any subsequent awarded contract. For example, a statement of your organisation's cash flow forecast for the current year and a letter from your bank outlining the current cash and credit position or other alternative means of demonstrating financial standing.

The financial information will be evaluated using the East Lothian Council financial health evaluation flowchart (available in the appendix VI attachments of the ITT on PCS). The financial information provided will require to meet the following criteria.

VI.3) Additional information

Police Scotland and East Lothian Council recognise that there is an opportunity for unscrupulous, criminal or corrupt persons and criminal enterprises to be involved in criminality and to make criminal financial gains from the provision of services to public funded bodies.

Police Scotland and East Lothian Council recognise that the provision of information by Police Scotland may assist in determining whether any of the conditions for exclusion of an organisation from the opportunity to tender for a public contract specified in the Public Contracts (Scotland) Regulations 2015 have been met. As part of this tender process therefore, details provided in the tender (appendix V) by all bidders will be passed to Police Scotland to be verified.

East Lothian Council (ELC) understand the importance of a strong local economy and therefore require that main contractors awarded ELC contracts consider engaging local sub-contractors where possible. For any assistance with this requirement please contact Economic Development Department at economicdevelopment@eastlothian.gov.uk.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=643709.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

A sub-contract clause has been included in this contract. For more information see: <http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see: <http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

There is a contractual obligation for the delivery of Community Benefits once the aggregate spend with ELC reaches GBP-50k in any financial year.

As part of the Council's wider duties towards its citizens and the environment, the Council wishes to engage with suppliers, providers and contractors to deliver sustainable benefits, not only to our young people, through work experience opportunities, training opportunities or links with schools, but also to provide assistance with community projects, as well as engaging in supply chain initiatives.

During the term of the framework, the Council will request Management information to support the delivery of Community Benefits. This will be monitored and reported during the lifetime of the framework.
