- 72611000 - Technical computer support services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

DCC is seeking to establish a Hybrid Security Operations Centre with leverages the combined strength of DCC's lean internal team and that of the successful Supplier.

DCC is seeking to procure 24/7/365 security monitoring and investigation capabilities, which will be core to DCC's hybrid strategy.

The successful Supplier will be expected to work with DCC's internal security analysts to detect, investigate and respond to security threats. The successful Supplier must have the capability to integrate with DCC's existing SIEM and XDR technology stack to enrich and enhance DCC's cyber defence capabilities in both IT and OT environments.

The successful Supplier should be threat-led at its core and provide suitably flexibility to evolve in line with DCC's IT environment and business needs.

The successful Supplier must have the capability to offer a range of 'value-add' training and development services to support the continued maturity of DCC's internal team which may include as a minimum purple team or tabletop exercises, analyst workshops, and/or access to cyber ranges.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

Electronic payment will be used

VI.3) Additional information

Participation instructions — how to express interest in this opportunity.

- 1) Register your organisation on the DCC eSourcing Portal (this is only required once so please check whether there is an existing account registered for your organisation — multiple users can be added as required);
- 2) Express an interest in the opportunity:
 - log in to the portal with your username and password,
 - click the 'PQQs/ ITTs Open to all Suppliers' link,
 - click on the relevant PQQ/ ITT to access the content,
 - click the 'Express Interest' button at the top of the page — this will move the PQQ/ ITT into your 'My PQQs/ITTs' page (this is a secure area reserved for your projects only),
 - you can now access any attachments by clicking 'Attachments' in the 'PQQ/ ITT details' box.
- 3) Responding to the Opportunity
 - click 'My Response' under 'PQQ/ ITT details'. You can choose to 'Create response' or 'Decline to Respond',
 - you can now use the messaging function to communicate with the buyer and seek any clarification,

- note the deadline for completion and follow the onscreen instructions to complete your response — there may be a mixture of online and offline actions for you to perform,
- you must then submit your reply using the 'Submit Response' button at the top of the page. Please Note the following
- you must download the documents yourself after you have expressed interest, they will not be sent to you,
- expressions of Interest will ONLY be accepted through the eSourcing Portal
- all documentation must be returned electronically via the eSourcing Portal,
- if you require any further assistance please consult the online help, or contact the eSourcing helpdesk using the contract information provided on the home page.

VI.4) Procedures for review

VI.4.1) Review body

High Court of England and Wales

City of Westminster

Country

United Kingdom
