II.1.4) Short description

Founded in 1932, Burnage Academy for boys celebrate and retain important links to their traditional past, with cherished pieces of their history still very much part of the school.

The school was officially opened on 21st October 1932, one of the oldest schools in the area.

The school enjoys excellent facilities, ranging from a 3G football pitch and a climbing wall, to their very own edible garden. In this expansive and modern environment, they have preserved the original values and ethos that are at the very heart of the school. They are very proud to share their school motto with the City of Manchester: 'Concilio et Labore', meaning 'by wisdom and effort'. This dates back to 1842 when Manchester was first granted city status.

As you enter the school site, you will see that they have preserved the original stone heraldic achievement that was placed proudly above the entrance to the school when it was opened in 1932.
