A framework that works with multiple providers offering different services who can deliver a range of short break activities for disabled children and young people up to the age of 18 years.

Within Hounslow the short breaks on offer provide both specialist activities and access to non-specialist activities for disabled children and young people up to the age of 18 years.

Hounslow want to continue to offer a short breaks programme with greater flexibility with regard to when the short break is taken and the length of the short break.

We would want to provide short breaks activities across the Borough of Hounslow that minimise travelling. These could be inclusive schemes with non-disabled children and we want to identify venues and providers who are able to work together to offer locally based short breaks.

Hounslow is seeking providers who can deliver the below range of short break activities.

This list is not exhaustive, and we welcome additional ideas for short breaks from providers themselves that meet the general aims of the Short Breaks Programme.
