Westminster City Council and the Royal Borough of Kensington and Chelsea will be embarking on the recommissioning of a Sexual Health Promotion, Prevention and Support service. The local authorities want to build upon an open and honest culture where everyone is able to make informed and responsible choices about relationships and sex. The market engagement event will provide an opportunity to discuss proposed models and how services will be delivered in the future. We are keen to hear your views and utilise your expertise to commission a high quality service. We are particularly interested in working with organisations that can explore and create new approaches to improve the needs of residents.

Providers with experience of delivering these types of services are invited to attend a supplier engagement event on Monday 15th March 2021.
