- New Park Primary Academy, Harrogate

Aims of the Service and Tender

The key aims of the tender are to:

Provide a high standard of cleaning.

Deliver the cleaning services with consistency - good quality assurance systems in place.

Good communication at local and operations manager level with the Trust - two-way communication

Daily interaction with the school's representative at each site

Develop an effective method of handing over any special needs and comments on a daily basis.

Cleaners to work the hours that best suit the needs of the schools and maximise the work completed.

Training and development of the teams at the schools

This does not imply that this is not happening now - these are the aims of the contract.

The Trust work to provide the students with the very best experiences they can. The quality of the environment in which they all work together is very important to us. The cleanliness and good order of the classrooms, corridors and other areas of the Trust impacts upon the teaching and learning that goes within the Trust. The Trust expectations are high, and they are looking for a cleaning contractor who has the same aims and aspirations as they do. They do seek value for money but that does not mean they will choose the cheapest quote possible.
