Tenders or requests to participate must be submitted to the above-mentioned address

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Custom-Made Single-Use Gamma-Irradiated Bioreactor For GMP Production

II.1.2) Main CPV code

- 33141000 - Disposable non-chemical medical consumables and haematological consumables

II.1.3) Type of contract

Supplies

II.1.4) Short description

NHSBT's Clinical Biotechnology Centre (CBC) has a requirement for custom-made and designed single-use, disposable, gamma-irradiated bioreactor (SUB) for GMP production within classified clean rooms. The CBC has an MHRA licence for the manufacture of sterile investigational medicinal gene therapy and recombinant protein products for clinical trials. The intended use of the consumables is for the GMP production of these types of products both in upstream and downstream manufacturing processes.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - UNITED KINGDOM

II.2.4) Description of the procurement

NHSBT's Clinical Biotechnology Centre (CBC) has a requirement for custom-made and designed single-use, disposable, gamma-irradiated bioreactor (SUB) for GMP production within classified clean rooms. The CBC has an MHRA licence for the manufacture of sterile investigational medicinal gene therapy and recombinant protein products for clinical trials. The intended use of the consumables is for the GMP production of these types of products both in upstream and downstream manufacturing processes.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

Yes

Description of renewals

May 2026

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

2 x 12 month extension options

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure
