Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply, Delivery and Installation of High Pressure Breathing Air Compressors

Reference number

DN525891

II.1.2) Main CPV code

- 35111100 - Breathing apparatus for firefighting

II.1.3) Type of contract

Supplies

II.1.4) Short description

Greater Manchester Fire and Rescue Service (GMFRS) have an aging fleet of High Pressure

Breathing Air Compressors located around approx. 40 GMFRS fire station premises, which are

coming to the end of their life and will require replacement over the next 2 to 4 years.

GMCA on behalf of GMFRS are seeking proposals from suitably qualified providers to offer suitable equipment to meet this requirement.

II.2.4 Description of the procurement

Instead of

Text

The intention is that GMFRS will replace between 5 and 10 of its existing breathing air compressors over the

next two years, with possibly a further 10 compressors over the following 2 years.

The proposed replacements would take place as follows:

5 x compressors ordered/replaced during 2021/22,

5 x compressors 2022/23

Possible replacement of a further 10 compressors in years 2023-2024 & 2024-2025.

(with the option of additional compressor replacements throughout the duration of the contract).
