II.1.4) Short description

Network Rail is looking to engage with organisations who have the capability to provide Integrated Facilities Management (soft and hard services) to any or all of Network Rail workplaces including corporate sites, operational sites and Network Rail managed stations. The current provision of service is across Network Rail's five Regions and a separate central function, additionally there is a Customer Service & Security requirement included on behalf of HS1's three Network Rail Managed Stations.

The services will comprise predominantly Cleaning, Customer Services & Security, Waste and a small amount of catering on one site only.

As part of the ongoing procurement strategy development process, Network Rail wishes to gather the views of companies that may be interested in these services to assist in the development of the strategy. We encourage interested parties to request a Questionnaire from Susan.Bulfield@networkrail.co.uk; the latest date of return of the completed questionnaire is Friday, 18th February 2022.

Please note this is NOT a Call for Competition.
